

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

## Canyon Ridge High

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/). For additional information about the school, parents and community members should contact the school principal or the district office.

## I. School Information

### Contact Information (2010-11 School Year)

This section provides the school's contact information.

School		District	
<b>School Name</b>	Canyon Ridge High	<b>District Name</b>	Hesperia Unified
<b>Street</b>	12850 Muscatel Street	<b>Phone Number</b>	(760) 244-4411

### Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

#### PRINCIPAL'S MESSAGE

Hello and welcome to Canyon Ridge High School, one of two continuation high schools in the Hesperia Unified School District. Canyon Ridge High School was opened during the 2007-2008 school year to meet the unique needs of students who had fallen behind in credits and needed another opportunity to be successful in high school and beyond.

The document you are reading is Canyon Ridge High's School Accountability Report Card (SARC). In accordance with Proposition 98, every school in California is required to issue an annual report that fulfills state and federal disclosure requirements. In this report, parents and guardians will find valuable information about our academic achievement, professional staff, curricular programs, classroom environment and the condition of facilities. To fully experience the magic of Canyon Ridge High, however, it would be necessary to actually spend time on our unique campus.

Canyon Ridge High School students attend school full-time and are expected to complete the same requirements for graduation as all other students in the district. In addition, all of our students must pass both parts of the California High School Exit Exam (CAHSEE) in order to earn a high school diploma.

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

The teaching staff is working hard to make certain that all students receive a comprehensive, rigorous and relevant education. Many hands-on, active learning approaches are utilized, including Marzano strategies, Thinking Maps and Write for the Future.

Canyon Ridge's mission is to promote opportunities for personal insight and growth, improved social skills, and academic achievement. Our vehicle of support is the genuine relationship between students and staff through which all students learn that life changing attitudes make a positive and productive future.

We believe Canyon Ridge High offers a unique high school experience. We hope you will take the time to review this document and perhaps visit our school in the future.

## SCHOOL MISSION STATEMENT

Teach students to dream. Keep them safe, give them hope, challenge their minds and hearts...NEVER GIVE UP!

## SCHOOL PROFILE

Hesperia Unified School District is located in the high desert region of San Bernardino County, approximately 40 miles north of the Ontario/San Bernardino valley. More than 20,000 students in grades kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 15 elementary schools, 2 choice schools, 3 middle schools, 3 comprehensive high schools, 2 continuation high schools, 1 alternative school, grades K-12, 1 community day school and 6 charter schools.

Canyon Ridge High is one of the district's continuation high schools located in the west area of Hesperia and serves students in grades nine through twelve. Students who attend Canyon Ridge High are provided a safe, flexible learning environment to complete graduation requirements and explore post-secondary options. During the 2009-10 school year, Canyon Ridge had 260 students enrolled.

## Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

<b>Contact Person Name:</b>	Bill Pittsford	<b>Contact Person Phone Number:</b>	760-244-6530
-----------------------------	----------------	-------------------------------------	--------------

Parents are required to attend orientation and are encouraged to chaperone or attend school field trips and events and participate in the decision-making process through school committees. The School Site Council (SSC), Parent Coordinating Council (PCC), English Language Advisory Council (ELAC), and Open House provide opportunities for parents to get involved with their child's educational experience. Parents who want more information or wish to participate may contact Bill Pittsford, Principal at (760) 244-6530.

Regular school-to-home communication about current events, tutoring, athletics, counseling, and school activities can be found in the monthly newsletter and on the school's website at [www.hesperia.org/canyonridge](http://www.hesperia.org/canyonridge). The newsletter is published by Canyon Ridge High's students and contains information on school activities, events, and important dates. Special monthly announcements are provided in fliers that are sent home with students. Monthly parent/teacher/student conferences are held to keep parents connected to the school and their student's progress. All school communications are published in both English and Spanish.

## Average Class Size and Class Size Distribution (Secondary)

This table displays by subject area the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Subject	2007-08				2008-09				2009-10				
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

## II. School Safety and Facilities

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

## School Safety Plan (2009-10)

This section provides information about the school's comprehensive safety plan.

<b>Date School Safety Plan last reviewed:</b>	August 2009
---	-------------

The Comprehensive School Site Safety Plan was developed for Canyon Ridge High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The plan's most recent review and update by school staff took place in August 2009. Staff training to discuss staff responsibilities and safety plan updates took place during staff in-service days in August 2009. A copy of the school site safety plan may be obtained at Canyon Ridge High's main office or the Hesperia Unified School District office.

## Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
<b>Suspension Rate</b>	0.0%	119.0%	257	32.0%	24.0%	25%
<b>Expulsion Rate</b>	0.0%	3.0%	9	1.0%	1.0%	1%

## School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

### SCHOOL FACILITIES

Canyon Ridge High provides a safe clean environment for learning through proper facilities maintenance and campus supervision. Original school facilities were built in 2005; ongoing maintenance and modernization projects ensure facilities remain safe and up to date as well as provide adequate space for students and staff. The campus is comprised of:

Acreage = .25

Square Footage = 4,800

Number of Permanent Classrooms = 0

Number of Portable Classrooms = 18

Number of Restrooms (student use) = 1 set

Cafeteria/Multipurpose Room = 1

### CAMPUS SUPERVISION

One campus aide and school administrator supervise students as they enter the campus each morning. Once students arrive, they may not leave at any time during the school day except in case of an emergency or with prior administrative approval. The campus aide and

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

administrator monitor behavior while students travel from class to class and during the nutrition and lunch periods. When students are released for the day, the campus aide and administrator ensure students leave campus safely. The district's police department coordinates with Canyon Ridge High in order to maintain a safe, secure, and peaceful campus. Officers are available to help students with problems involving family, drugs, and personal issues. Any student who commits a serious violation, i.e., fighting is subject to arrest, citation, and referral to the Juvenile Probation Office.

## CAMPUS MAINTENANCE

The custodial staff and district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The principal meets when necessary with custodians to discuss cleaning schedules, processes, custodial needs, maintenance issues and special projects; hand-held radios enhance two-way communication efforts and help facilitate an immediate response to urgent situations.

Canyon Ridge's custodial staff is comprised of one full-time lead custodian and one part-time evening custodian. Every morning before school begins; the lead custodian inspects facilities for safety hazards, graffiti, or other conditions that need attention prior to students and staff entering school grounds. As part of his regular duties, the custodian ensures campus grounds, restrooms, classrooms, and office areas are kept clean throughout the school day. The evening custodian cleans restrooms and campus childcare facilities. When necessary, the lead custodian sets up and takes down furniture and equipment for afternoon and evening events.

Canyon Ridge High works closely with the district's Maintenance and Operations (M & O) department for larger projects, routine facilities maintenance projects, and school inspections. The Maintenance and Operations department employs a work order process that enables Canyon Ridge High to communicate unscheduled maintenance needs, urgent repairs, or special projects. Emergency situations are regularly resolved in one hour or less.

## Planned Improvements (2010-11 School Year)

None

## School Facility Good Repair Status (2010-11 School Year)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned

<b>Completion date of inspection form:</b>	10/6/09				

## III. Curriculum and Academics

### Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All textbooks used in the core curriculum throughout Hesperia Unified School District are aligned to the California Content Standards and Frameworks. Instructional Materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. Parents are invited to preview proposed adoptions at the district office for one evening and ten days prior to approval by the school board. In September 2009, the Hesperia Unified School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No.2009/10-14 which certifies as required by Education Code section 60119 (1) that textbooks and instructional materials were provided to all students, including English learners in the Hesperia Unified School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to study, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-11, inclusive.

## Textbook and Instructional Materials List

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Subject Area	Textbook Title and/or Publisher	Year of Adoption
<b>English-Language Arts</b>	McDougal Littell: Language of Literature, Scholastic: Scholastic Spelling, Sadler/Oxford: Vocabulary Workshop, National Textbook Co.: Public Speaking 3rd Edition	2002, 2001, 2001, 2001

## Availability of Textbooks and Instructional Materials

This table displays information about the percent of pupils who lack their own assigned textbooks and instructional materials

Core Curriculum Area	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	0
Mathematics	0
Science	0
History-Social Science	0
Foreign Language	0
Health	0
Visual and Performing Arts	0
Science Laboratory Equipment (Grades 9-12)	0

Textbook Information Collection Date:	9-8-09
---------------------------------------	--------

## Textbooks and Instructional Materials Adoption

This table displays whether the textbooks and instructional materials are from the most recent adoption.

	Yes or No
Most recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials	Yes

## Textbook Insufficiency (if applicable)

This section provides information if any insufficiency exists, and the reason that each pupil does not have sufficient textbooks or instructional materials

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

No textbook insufficiencies.

## Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
English-Language Arts	13.0%	6.0%	7.0%	38.0%	42.0%	45.0%	46.0%	50.0%	52.0%
Mathematics	1.0%	3.0%	3.0%	35.0%	38.0%	38.0%	43.0%	46.0%	48.0%

## California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5			
7			
9	0.0	33.3	0.0

## Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

## API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	0	0	0
Similar Schools	0	0	0

## Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years.

Group	Actual API Change		
	2007-08	2008-09	2009-10

Students with Disabilities	--	526	580

## Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

## AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
Overall	No	No
Participation Rate – English-Language Arts	Yes	Yes
Participation Rate – Mathematics	Yes	Yes
Percent Proficient – English-Language Arts	Yes	No
Percent Proficient – Mathematics	Yes	No

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

<b>API</b>	No	Yes
<b>Graduation Rate</b>	N/A	Pend

## Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
<b>Program Improvement Status</b>		In PI
<b>First Year of Program Improvement</b>		2004-2005
<b>Year in Program Improvement</b>		Year 3
<b>Number of Schools Currently in Program Improvement</b>	--	7
<b>Percent of Schools Currently in Program Improvement</b>	--	23.0%

## IV. Teachers & Support Staff

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2007-08	2008-09	2009-10	2009-10
<b>With Full Credential</b>	0	10	12	782
<b>Without Full Credential</b>	0	1	0	34
<b>Teaching Outside Subject Area of Competence</b>	0	0	0	--

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
<b>This School</b>	87.27	12.73
<b>All Schools in District</b>	96.39	3.61
<b>High-Poverty Schools in District</b>	98	2
<b>Low-Poverty Schools in District</b>	96	4

## Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

All professional development activities in Hesperia Unified School District revolve around the California State Content Standards and Frameworks and are research-based.

The Certificated staff builds teaching skills and concepts through participation in ongoing training sponsored by the district and school site. During the 2009-10 school year, the district made available one staff development buy-back day and supplemental training involving curriculum, teaching strategies, and methodologies in the content areas of writing and math. Each school site then identifies and coordinates its own staff development activities based upon individual student needs, school site plans, and the districts designated focus areas.

During the 2009-10 school year, Canyon Ridge High School held one staff development buy-back day to reinforce Write From the Beginning (introduced in 2005-06). Staff development topics were selected by the principal, assistant principal, and Staff Council. Training programs and topics were chosen based upon the school focus and student needs. Results for the California Standardized Tests and district benchmark assessments, teacher feedback, and findings from classroom observations help identify areas for improvement and training programs that will enable teachers to deliver a challenging and rigorous standards-based education fostering student success and proficiency.

Published During 2010-11

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered on the district's focus areas of reading and math. Supplemental professional development is offered throughout the school year on early student release days, during summer vacation, and on weekends. Staff development topics and focus areas are identified and selected based upon input from the district's Professional Development Committee, Principals' Roundtable, and teacher survey results. The Professional Development Committee meets four times a year to review student test results from state and district assessments and review teacher survey needs. The Principals' Roundtable provides opportunities for school principals to discuss and share training needs based upon data analysis and classroom observations from each school site.

New teachers receive intensive support and training through the district's Induction Program and New Teachers Academy. For beginning and out-of-state teachers, the district utilized the state Induction Program (formerly known as Beginning Teacher Support and Assessment), a statewide and state-mandated research-based program providing support and skill building through formative assessment and individualized support based on assessment. The New Teachers Academy sponsors three new teacher orientations each year to support year-round hiring practices; the orientation is a comprehensive overview of the district's policies, school law, ExCEL philosophy, English language learners support, curriculum, instruction, and grade-level and content area specialties.

## Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days		
	2007-08	2008-09	2009-10
Annual number of school days dedicated to staff development	1	1	1

## Academic Counselors and Other Support Staff (2009-10 School Year)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1	227
Counselor (Social /Behavioral or Career Development)	0	--
Library Media Teacher (Librarian)	0	--
Library Media Services Staff (paraprofessional)	0	--
Psychologist	0	--
Social Worker	0	--
Nurse	0	--
Speech/Language/Hearing Specialist	0	--

## Admission Requirements for California Public Universities

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/>.

California State University: Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/admission/>.

## Courses for University of California and/or California State University Admission (2008-09 School Year)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

UC/CSU Course Measure	Percent
<b>Students Enrolled in Courses Required for UC/CSU Admission</b>	0
<b>Graduates Who Completed All Courses Required for UC/CSU Admission</b>	0

## Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## CAHSEE Results by Performance Level for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level in English-language arts and mathematics.

Subject	School			District			State		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
<b>English-Language Arts</b>	0.0%	0.0%	0.0%	46.0%	46.0%	45.0%	53.0%	53.0%	54.0%

## Career Technical Education Programs (2009-10 School Year)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered at the schools.

Automotive Systems, Child Care Occupations, Cosmetology AEC, Customer Service Occupations, Dental Assistant: Digital Design, EKG Monitor Technician, Emergency First Responder, Fire Technology, Graphic Communications, Health Careers: Introduction, Law Enforcement, Medical Records Specialist, Medical Terminology, Nail Care – Manicuring, Nursing Careers: Introduction, Office Technology, Restaurant Occupations Sports Therapy & Fitness, Website Design.

## Career Technical Education Participation (2009-10 School Year)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
<b>Number of pupils participating in CTE</b>	0
<b>Percent of pupils completing a CTE program and earning a high school diploma</b>	0
<b>Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education</b>	0

## VI. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web

## Types of Services Funded (2009-10 Fiscal Year)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

In addition to general fund state funding, Hesperia Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the District received federal, state, and local aid for the following categorical, special education, and support programs:

- Drug/Alcohol/Tobacco Education
- Economic Impact Aid
- Instructional Materials
- Special Education
- School Library Block Grant
- Tenth Grade Counseling
- Vocational and Applied Technology

## Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average for Districts in the Same Category
<b>Beginning Teacher Salary</b>	\$42,706.00	\$42,377.00
<b>Mid-Range Teacher Salary</b>	\$67,677.00	\$67,667.00

<b>Percent of Budget for Teacher Salaries</b>	39	--
<b>Percent of Budget for Administrative Salaries</b>	6	--

## VII. Data and Access

### DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
