

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Cypress School of the Arts

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

I. School Information

Contact Information (2010-11 School Year)

This section provides the school's contact information.

School		District	
School Name	Cypress School of the Arts	District Name	Hesperia Unified
Street	10365 Cypress Avenue	Phone Number	(760) 244-4411

Principal	Scott Sheffield	E-mail Address	mark.mckinney@hesperia.org
E-mail Address	scott.sheffield@hesperia.org	CDS Code	36750440107805

Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

PRINCIPAL'S MESSAGE

I'd like to welcome you to Cypress School of the Arts' Accountability Report Card (SARC). In accordance with Proposition 98, every school in California is required to issue an annual SARC that fulfills state and federal disclosure requirements. Enclosed you will find information about our academic focus, student population, parent involvement, student achievement, professional staff, curricular and extra-curricular programs, safety procedures, school environment, and condition of facilities.

Cypress School of the Arts is focused on preparing our students for success. We provide instruction aligned to the California Content Standards with an emphasis on critical thinking and problem solving and a themed focus on music, art and Spanish instruction. To develop the skills necessary for students to make the transition from elementary school to secondary school, we provide explicit instruction in organization and study skills using AVID strategies beginning in 4th grade. With ongoing evaluation of our students and programs, we strive to meet the individual needs of all.

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

We are committed to providing the best educational program in a caring and safe environment for all of our students. We welcome any questions about the information provided in this report or any suggestions to improve our programs for the benefit of our students. Together we can make a difference for all of our children.

SCHOOL MISSION STATEMENT

Cypress School of the Arts is a unique school in the Hesperia Unified School District serving as a K-6 parent choice school in the district. It is the intent of the Cypress staff to provide an effective academic and social transition from elementary school to the secondary level for all of our students. The school environment will be one to provide the nurturing support unique to the elementary level while incrementally providing the development of independence necessary for success at the secondary level. This development of independence will include a focus on organizational skills, critical thinking, and student interest. This will be evident in the structure of the school, as well as the instruction itself.

SCHOOL PROFILE

Hesperia Unified School District is located in the high desert region of San Bernardino County, approximately 40 miles north of the Ontario/San Bernardino valley. More than 20,000 students in grades kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 15 elementary schools, 3 of those being parent choice schools, 3 middle schools, 3 comprehensive high schools, 1 alternative school, 2 continuation high schools, 1 community day school, and 6 charter schools.

Cypress School of the Arts is located in the southwest region of Hesperia. At the beginning of the 2009-2010 school year, 641 students were enrolled, including 4% in special education, 22% qualifying for English learner support, and 47% qualifying for free or reduced-price lunch. Cypress School of the Arts achieved a 2009-2010 Academic Performance Index (API) score of 850.

Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

Contact Person Name:	Janice Hibbler Family Resource Specialist	Contact Person Phone Number:	760.949.2596
-----------------------------	--	-------------------------------------	--------------

Parents are encouraged to volunteer in the classroom or library, chaperon field trips, and get involved in the decision-making process through school committees. The School Site Council, Parent Teacher Club, GATE Committee (Gifted and Talented Education), and English Language Advisory Council provide opportunities to provide input on school programs and finances. Back to School Night, Family Craft Night, Family Reading Night, Culture Day, and school performances are a few of the many opportunities available to parents who want to get involved with their child's educational experience. Parents who want more information or wish to participate in the learning community may contact the school office at (760) 949-2596.

School-to-home communication takes place in a variety of formats, in most instances communications are provided in both English and Spanish. School staff utilizes Connect Ed, an automated telephone system, to quickly relay important messages and reminders to each child's home. Cypress School of the Arts' bi-monthly newsletter, Cyclone Circular, is published monthly and features important safety tips, a calendar of activities, a message from the principal, and special program highlights. Fliers are occasionally distributed for special announcements. Connect Ed, as mentioned above, is used several times per month to send broadcast messages school wide and to select groups both in English and Spanish.

Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

II. School Safety and Facilities

School Safety Plan (2009-10)

This section provides information about the school's comprehensive safety plan.

Date School Safety Plan last reviewed:	8/11/10
---	---------

The Comprehensive School Site Safety Plan was developed for Cypress School of the Arts in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The plan's most recent review and update by school staff took place in August 2010. Staff training to discuss staff responsibilities and safety plan updates took place during a staff collaboration day in August 2010. A copy of the school site safety plan may be obtained at Cypress School of the Art's main office or the Hesperia Unified School District office.

Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspension Rate	24.0%	8.0%	41	32.0%	24.0%	25.0%
Expulsion Rate	0.0%	0.0%	0	1.0%	1.0%	1.0%

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

School Accountability Report Card

Published During 2010-11

SCHOOL FACILITIES & SAFETY

Cypress School of the Arts provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school facilities were built in 2005. A major expansion of the campus occurred in 2009 which included two playground areas not previously on our campus, the addition of a new kindergarten complex, 12 new classrooms and several site upgrades that were required to convert the site from a sixth grade only campus to a K-6 facility. Ongoing maintenance ensures the campus remains safe and in good working condition and provides adequate space for students and staff. The campus is comprised of the following:

Acreage = 14

Square Footage = 38,280

Number of Permanent Classrooms = 4

Number of Portable Classroom = 28

Number of Restrooms (student use) = 2 sets

Computer Lab = 2

Multipurpose Room = 1

Music Room = 1

Parent Center = 1

Library = 1

Staff Lounge = 1

Staff Work Room = 1

Storage Room = 1

CAMPUS SUPERVISION

Five proctors, strategically placed in various areas of the campus, supervise students as they enter school grounds. During lunch, three proctors share supervision of the cafeteria and playground activities. When students are dismissed at the end of the day, assigned teachers and administrators monitor bus loading and student pickup areas to ensure students leave campus in a safe and orderly manner. School administrators, the custodian, and the school office are assigned hand-held radios at all times. Proctors and teachers carry hand-held radios when providing student supervision. Cellular phones and hand-held radios help facilitate quick and effective communications between school staff for routine and urgent situations.

CAMPUS MAINTENANCE

The custodial staff and district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The principal and lead day custodian communicate daily each morning regarding maintenance issues and special projects.

One full-time day custodian, 1 full-time evening custodian, and one part-time night custodian are assigned to Cypress School of the Arts; the day custodian relays direction from the principal to evening custodian for routine maintenance, daily custodial duties, and special events. Every morning before school begins; the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. School administrators and the day custodian check restrooms frequently throughout the day as a proactive measure in keeping restrooms stocked, safe, and sanitary. The evening custodians clean classrooms, desks, office areas, restrooms, and are responsible for set up and take down of equipment and/or furniture for afternoon and evening events.

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Cypress School of the Arts works closely with the district's Maintenance & Operations (M&O) department for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Cypress School of the Arts took place on September 4, 2009. M&O employs a work order process that enables Cypress School of the Arts to communicate unscheduled maintenance needs, urgent repairs, or special projects. The day custodian and school office staff are responsible for coordinating the preparation and submission of work orders to M&O for resolution. Emergency situations are regularly resolved in one hour or less.

Planned Improvements (2010-11 School Year)

None

School Facility Good Repair Status (2010-11 School Year)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer	X			None
Interior: Interior Surfaces (floors, ceilings, walls, and window casings)	X			None
Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)	X			None
Electrical: Electrical Systems (interior and exterior)	X			None
Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)	X			Water pressure too high (remedied)
Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)	X			None
Structural: Structural Condition, Roofs	X			None
External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds	X			None

III. Curriculum and Academics

Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All textbooks used in the core curriculum throughout Hesperia Unified School District are aligned to the California Content Standards and Frameworks. Instructional Materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. Parents are invited to preview proposed adoptions at the district office for one evening and ten days prior to approval by the school board. In September 2009, the Hesperia Unified School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No.2009/10-14 which certifies as required by Education Code section 60119 (1) that textbooks and instructional materials were provided to all students, including English learners in the Hesperia Unified School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to study, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-11, inclusive.

Textbook and Instructional Materials List

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Subject Area	Textbook Title and/or Publisher	Year of Adoption

No textbook insufficiencies.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	21.1	42.1	22.4

9			

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	2	5	7
Similar Schools	3	7	9

Academic Performance Index Growth by Student Group – Three-Year Comparison

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
Overall	Yes	No
Participation Rate – English-Language Arts	Yes	Yes
Participation Rate – Mathematics	Yes	Yes
Percent Proficient – English-Language Arts	Yes	No
Percent Proficient – Mathematics	Yes	No

Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects

Low-Poverty Schools in District	96	4

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

All professional development activities in Hesperia Unified School District revolve around the California State Content Standards and Frameworks and are research-based. Certificated staff builds teaching skills and concepts through participation in ongoing training sponsored by the district and school site. During the 2009-10 school year, the district made available one staff development buy-back day and supplemental training involving curriculum, teaching strategies, and methodologies in the content areas of writing and math. Each school site then identifies and coordinates its own staff development activities based upon individual student needs, school site plans, and the districts designated focus areas. In 2009-2010, the district office provided teachers on assignment that had areas of specialization that we could utilize in math, reading and ELD that were able to come to the school site and work with our staff.

Topics of training activities included:

- *Program development
- *Thinking Maps
- *Cognitively Guided Instruction (CGI)
- *AVID Elementary (Advancement Via Individual Determination)
- *ELL (English Language Learners)

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

***Write From The Beginning (WFTB)**

Supplemental and ongoing staff training takes place on Wednesdays during collaboration and is also embedded into staff meetings when possible. All training activities focus on developing and supporting Cypress School of the Arts' curricular program. Topics covered in supplemental training sessions included:

- *Program development
- *AVID Elementary
- *Cognitively Guided Instruction
- *GLAD Training (Guided Language Acquisition Design)/SIOP
- *ELL
- *Write For The Future
- *Thinking Maps

Training topics were selected by the school Leadership Team and principal who analyze student assessment results and review teacher survey results. Structured training programs enable teachers to deliver a challenging and rigorous standards-based education fostering student success and proficiency.

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered on the district's focus areas of reading and math. Supplemental professional development is offered throughout the school year on early student release days, during summer vacation, and on weekends. Staff development topics and focus areas are identified and selected based upon input from the district's Professional Development Committee, Principals' Roundtable, and teacher survey results. The Professional Development Committee meets once a year to review student test results from state and district assessments and review teacher survey needs. The Principals' Roundtable provides opportunities for school principals to discuss and share training needs based upon data analysis and classroom observations from each school site.

New teachers receive intensive support and training through the district's Induction Program and New Teachers Academy. For beginning and out-of-state teachers, the district utilized the state Induction Program (formerly known as Beginning Teacher Support and Assessment), a statewide and state-mandated research-based program providing support and skill building through formative assessment and individualized support based on assessment. The New Teachers Academy sponsors three new teacher orientations each year to support year-round hiring practices; the orientation is a comprehensive overview of the district's policies, school law, ExCEL philosophy, English language learners support, curriculum, instruction, and grade-level and content area specialties.

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days		
	2007-08	2008-09	2009-10
Annual number of school days dedicated to staff development	1	1	1

Academic Counselors and Other Support Staff (2009-10 School Year)

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	--
Counselor (Social /Behavioral or Career Development)	0	--
Library Media Teacher (Librarian)	1	--
Library Media Services Staff (paraprofessional)	0	--
Psychologist	0	--
Social Worker	0	--
Nurse	0	--
Speech/Language/Hearing Specialist	0	--
Resource Specialist (non-teaching)	0	--
Other	0	--

V. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School	\$4,628.77	\$653.25	\$3,975.52	\$63,718.22
District	--	--	\$7,737.00	\$62,318.00
State	--	--	\$5,681.00	\$68,179.00
Percent Difference – School and District	--	--	--	--
Percent Difference – School and State	--	--	--	--

Types of Services Funded (2009-10 Fiscal Year)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

In addition to general fund state funding, Hesperia Unified School District receives state and federal categorical funding for special programs. For the 2008-2009 school year, the District received federal, state, and local aid for the following categorical, special education, and support programs:

- Class Size Reduction
- Drug/Alcohol/Tobacco Education
- Economic Impact Aid
- Gifted & Talented
- Home-to-School Transportation
- Instructional Materials
- Special Education
- School Library Block Grant
- Tenth Grade Counseling
- Title I (some schools)
- Vocation Education, Handicapped
- Vocational and Applied Technology

Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average for Districts in the Same Category
Beginning Teacher Salary	\$42,706.00	\$42,377.00
Mid-Range Teacher Salary	\$67,677.00	\$67,667.00
Highest Teacher Salary	\$85,413.00	\$87,102.00
Average Principal Salary (Elementary)	\$108,340.00	\$108,894.00
Average Principal Salary (Middle)	\$111,336.00	\$113,713.00
Average Principal Salary (High)	\$129,233.00	\$124,531.00
Superintendent Salary	\$161,078.00	\$223,323.00
Percent of Budget for Teacher Salaries	96.39	--
Percent of Budget for Administrative Salaries	6	--

VI. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
