

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Sultana High

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

I. School Information

Contact Information (2010-11 School Year)

This section provides the school's contact information.

Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

PRINCIPAL'S MESSAGE

Hello, my name is Tracy Marsh, Principal for Sultana High School. It is an honor, and I am humbled, to be in this position. Sultana has always been recognized as an outstanding and well-respected school both in and out of the high desert community.

As my third year begins, I continue to be impressed by how nice the campus looks and how our student body continues to be one that welcomes guest onto our campus. As we face the many new challenges that each school year brings, I look forward to being a part of a staff committed in meeting and exceeding these challenges. In the end, our commitment will continue making Sultana High School an outstanding place for students to be.

In closing, I am excited to be a member of the Sultana family. It is with this excitement that I thank you for entrusting your children to us. This is a responsibility that we do not take for granted, but accept with great enthusiasm. I look forward in serving you as principal and may we have a great Sultan year!

School Accountability Report Card

Reported for the 2009-10 School Year

Respectfully,

Mr. Tracy Marsh, Principal

SCHOOL MISSION STATEMENT

Our mission at Sultana High School is to create a safe environment that promotes character development, social responsibility, and academic excellence in creating a contributing member of society. At Sultana, we provide our students with a rigorous course of study over a four-year period. We offer a variety of advanced placement classes, a wide variety of elective classes and an extensive athletic program. It is our mission to prepare our students for the challenge of further education and to reach their potential.

SCHOOL PROFILE

Hesperia Unified School District is located in the high desert region of San Bernardino County, approximately 40 miles north of the Ontario/San Bernardino valley. More than 20,000 students in grades kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 15 elementary schools which includes 3 choice schools. At the secondary level Hesperia has 3 middle schools, 3 comprehensive high schools, 1 alternative school, 2 continuation high schools, 1 community day school, and 6 charter schools.

Sultana High is located in the southeast area of Hesperia and services students in grades nine through twelve. At the beginning of the 2009-10 school year, 2206 students were enrolled, including 11% in special education, 15% qualifying for English learner support, and 57% receiving free or reduced-price lunch, Sultana High achieved a 2010 Academic performance Index (API) score of 760.

Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

Contact Person Name:	HR Lugo	Contact Person Phone Number:	760-947-6777 X 4484
-----------------------------	---------	-------------------------------------	---------------------

Parents are encouraged to volunteer to help with Freshman Orientation and classroom activities; chaperone for school field trips and events; and get involved in the decision-making process through school committees. The School Site Council, English Language Advisory Council, District GATE Advisory Council (Gifted and Talented Education, WASC Parent Groups, and booster clubs provide opportunities for parents to get involved with their child's educational experience. Parents who want more information or wish to participate may contact the ASB Office at (760) 947-6777, ext. 4484. There is a job for everyone who wants to get involved!

All school to home communication is provided in both English and Spanish. General school information, activities, and events can be found in class newsletters, school club publications and on the Internet at www.sultanahighschool.com. Important announcements, school activities, calendar of events, athletic events, and special interest news stories are regularly updated and posted on the school webpage. This is an excellent way for parents and student to stay informed about campus events. Every three months, Sultana High students publish a school newspaper highlighting school activities and student achievements. Occasionally, the school will mail important information to students' homes or use the school's automated telephone system (Connect-Ed) to contact parents. Students and parents may access Sultana High's Internet communications resources at www.edline.net/pages/Sultana_High_School for information about student grades, assignments, and calendar of events, parent groups, classes, counseling, athletics, and clubs.

Native Hawaiian or Pacific Islander	0.4%	n/a	--

II. School Safety and Facilities

School Safety Plan (2009-10)

This section provides information about the school's comprehensive safety plan.

Date School Safety Plan last reviewed:	August 2009
---	-------------

The Comprehensive School Site Safety Plan was developed for Sultana High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The plan's most recent review and update by school staff took place in August 2009. Staff training to discuss staff responsibilities and safety plan updates occur during regularly scheduled staff meetings and prior to drills. In addition, Sultana High School works with our local law enforcement agencies and our own Hesperia Police Department in looking for ways to improve. Sultana regularly conducts various disaster drills and safety checks. A copy of the school site safety plan may be obtained at Sultana High School's main office or the Hesperia Unified School District office.

Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspension Rate	48.0%	27.0%	595	32.0%	24.0%	25%
Expulsion Rate	1.0%	1.0%	26	1.0%	1.0%	1%

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

SCHOOL FACILITIES AND SAFETY

Sultana High provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school facilities were built in 1995; ongoing maintenance and modernization projects ensure facilities remain safe and up to date as well as provide adequate space for students and staff. Throughout the years, portable classrooms have been added to the campus to accommodate growth in enrollment. The campus is comprised of the following:

Acreage = 40 acres

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Square Footage = 207,263

Number of permanent classrooms = 45

Number of portable classrooms = 62

Number of restrooms (student use) = 7 sets

Administrative Offices = 3

Choir Room = 1

Weight Room = 1

Wrestling Room = 1

Library = 1

Cafeteria/Multipurpose Room = 1

Music Room = 1

Health Office = 1

Physical Education Facility = 1

Counselor Center = 1

Career Center = 1

ROP/Elective Shop Area = 1

Gym = 1

Staff Work Room/Lounge = 2

CAMPUS SUPERVISION

Ten campus assistants, six administrators, and two district police officers supervise students as they enter the campus each morning, between classes, during lunch periods, and after school as students either leave the campus or remain for athletics, clubs or tutoring activities. The district's police department coordinates with Sultana High in order to maintain a safe, secure, and peaceful campus. Any student who commits a serious violation (i.e., fighting) is subject to arrest, citation, and referral to the Juvenile Probation Office.

Surveillance cameras are strategically placed to monitor campus grounds to secure a safe learning environment throughout the day and evening. All vice principals, all campus assistants, both police officers, the activities office, the athletic director, the principal's secretary and vice principal's secretary, the reception desk, physical education teachers, and custodians carry hand-held radios to enhance routine two-way communication and facilitate an immediate response to urgent situations. In 2008, Sultana purchased a repeated station that allows greater coverage of area by increasing radio signal. No longer is the school confined just around campus, but radio calls can now be transmitted several miles away from campus.

CAMPUS MAINTENANCE

The custodial staff and district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and keep safe and functioning for students, staff and visitors. The principal and custodians communicate weekly to discuss custodial needs, maintenance issues and special projects.

Sultana High's plant supervisor oversees and supervises custodial staff which is comprised of two full-time day custodians and eight evening custodians. Every morning before school begins, the day custodians and school administrators inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. As part of regular duties, the day custodians ensure the campus, cafeteria, and restrooms are clean throughout the day. The evening custodians clean the classrooms, desks, gymnasium, locker rooms, restrooms, and common areas. Day and evening custodians share the responsibility and coordinate efforts for set up and take down of equipment and/or furniture for afternoon and evening events.

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Sultana High works closely with the district's Maintenance & Operations department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Sultana High took place on October 2009. M&O employs a work order process that enables Sultana High to communicate unscheduled maintenance needs, urgent repairs, or special projects. Emergency situations are regularly resolved in one hour or less.

Planned Improvements (2010-11 School Year)

None

School Facility Good Repair Status (2010-11 School Year)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer	X			None
Interior: Interior Surfaces (floors, ceilings, walls, and window casings)	X			None
Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)	X			None
Electrical: Electrical Systems (interior and exterior)	X			None
Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)	X			None
Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)	X			None
Structural: Structural Condition, Roofs	X			None
External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds	X			None

III. Curriculum and Academics

Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All textbooks used in the core curriculum throughout Hesperia Unified School District are aligned to the California Content Standards and Frameworks. Instructional Materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. Parents are invited to preview proposed adoptions at the district office for one evening and ten days prior to approval by the school board. In September 2009, the Hesperia Unified School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No.2009/10-14 which certifies as required by Education Code section 60119 (1) that textbooks and instructional materials were provided to all students, including English learners in the Hesperia Unified School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to study, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-11, inclusive.

Textbook and Instructional Materials List

Textbook Insufficiency (if applicable)

This section provides information if any insufficiency exists, and the reason that each pupil does not have sufficient textbooks or instructional materials

No textbook insufficiencies.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5			
7			
9	19.6	40.1	25.6

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	5	5	5
Similar Schools	5	6	6

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years.

Group	Actual API Change

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
Overall	No	No
Participation Rate – English-Language Arts	Yes	Yes
Participation Rate – Mathematics	Yes	Yes
Percent Proficient – English-Language Arts	No	No
Percent Proficient – Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	Yes	Pend

Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	--	7
Percent of Schools Currently in Program Improvement	--	23.0%

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicators	School		
	2008-09	2009-10	2010-11
Misassignments of Teachers of English Learners	0	0	0
Vacant Teacher Positions	0	0	0
Total Teacher Misassignments	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	98.47	1.53
All Schools in District	96.39	3.61
High-Poverty Schools in District	98	2

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

All professional development activities in Hesperia Unified School District revolve around the California State Content Standards and Frameworks and are research-based.

Certificated staff builds teaching skills and concepts through participation in ongoing training sponsored by the district and school site. During the 2009-10 school year, the district made available one staff development buy-back day and supplemental training involving curriculum, teaching strategies, and methodologies in the content areas of writing and math. Each school site then identifies and coordinates its own staff development activities based upon individual student needs, school site plans, and the district's designated focus areas. Sultana High School implemented a 5 member coaching team lead by the leadership committee in structuring effective Wednesday collaborations. This group focuses on site/department needs while also attending to the goals of HUSD.

During the 2009-10 school year, Sultana High has implemented a series of workshops and trainings illustrated within our school plan. Our focus was to introduce staff to such topics as Write For the Future, Thinking Maps, ELD teaching strategies, use of technology, and redefining our ESLRs. All trainings had follow-up meetings to reinforce topics chosen based upon the school focus and student needs. Results for the California Standardized Tests and district benchmark assessments, teacher feedback, and findings from classroom observations help identify areas for improvement and training programs that will enable teachers to deliver a challenging and rigorous standards-based education fostering student success and proficiency.

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered around the district's focus areas of reading and math. Supplemental professional development is offered throughout the school year on early student release days, during summer vacation, and on weekends. Staff development topics and focus areas are identified and selected based upon input from the district's Professional Development Committee, Principals' Roundtable, and teacher survey results. The Professional Development Committee meets once a year to review student test results from state and district assessments and review teacher survey needs. The coaches for SHS meet weekly through common prep periods in planning out staff development calendars. The Principals' Roundtable provides opportunities for school principals to discuss and share training needs based upon data analysis and classroom observations from each school site.

New teachers receive intensive support and training through the district's Induction Program and New Teachers' Academy. For beginning and out-of-state teachers, the district utilized the state Induction Program (formerly known as Beginning Teacher Support and Assessment), a statewide and state-mandated research-based program providing support and skill building through formative assessment and individualized support based on assessment. The New Teachers' Academy sponsors three new teacher orientations each year to support year-round hiring practices; the orientation is a comprehensive overview of the district's policies, school law, ExCEL philosophy, English language learners support, curriculum, instruction, and grade-level and content area specialties.

Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days

Academic Counselors and Other Support Staff (2009-10 School Year)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	6	400
Counselor (Social /Behavioral or Career Development)	0	--
Library Media Teacher (Librarian)	0	--
Library Media Services Staff (paraprofessional)	1	--
Psychologist	0	--
Social Worker	0	--
Nurse	1	--
Speech/Language/Hearing Specialist	0	--
Resource Specialist (non-teaching)	0	--
Other	0	--

V. High School Information (if applicable)

Completion of High School Graduation Requirements

This table displays, by student group, the percent of students who began the 2008–09 school year in grade twelve and were a part of the school's most recent graduating class who met all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Admission Requirements for California Public Universities

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/>.

California State University: Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/admission/>.

Courses for University of California and/or California State University Admission (2008-09 School Year)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CAHSEE Results by Performance Level for All Students – Three-Year Comparison

VI. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School	\$6,135.33	\$1,015.40	\$5,119.94	\$66,102.87

Types of Services Funded (2009-10 Fiscal Year)

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

In addition to general fund state funding, Hesperia Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the District received federal, state, and local aid for the following categorical, special education, and support programs:

Economic Impact Aid

Special Education

STEM Grant

Alliance for Education Medical Grant

Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average for Districts in the Same Category
Beginning Teacher Salary	\$42,706.00	\$42,377.00
Mid-Range Teacher Salary	\$67,677.00	\$67,667.00
Highest Teacher Salary	\$85,413.00	\$87,102.00
Average Principal Salary (Elementary)	\$108,340.00	\$108,894.00
Average Principal Salary (Middle)	\$111,336.00	\$113,713.00
Average Principal Salary (High)	\$129,233.00	\$124,531.00
Superintendent Salary	\$161,078.00	\$223,323.00
Percent of Budget for Teacher Salaries	39	--
Percent of Budget for Administrative Salaries	6	--

VII. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
